On March 29, 2013, iSigma Business Advancement Fund I Investment LLP, which is managed and operated by iSigma Capital Corporation (Chiyoda-ku, Tokyo; a 100%-owned subsidiary of Marubeni; “we” hereafter), agreed to acquire all shares of SBI Credit Co., Ltd. (Minato-ku, Tokyo; a 94.6%-owned subsidiary of SBI Holdings; “SBI Credit” hereafter) from its owner SBI Holdings, Inc. (Minato-ku, Tokyo; “SBI Holdings” hereafter).

SBI Credit provides credit products such as automobile loans and warranty coverage for parts of used vehicles through a Japan-wide network of 14,000 member companies (as of the end of February 2013), with most of them being automobile dealers. SBI Credit is also developing business overseas. Based on the business partnership with Marubeni, SBI Credit started in June 2012 its participation in the automobile financing business for Great China Finance Leasing Co., Ltd., a Marubeni affiliate headquartered in Shanghai, China.

In the future, we will be taking advantage of SBI’s traditional management methods and business foundation, while offering our management improvement know-how that we have cultivated in the investment funds business. Additionally, we will be optimally using the sales strength, knowledge, and networks offered by the general trading company Marubeni to actively support further growth of SBI Credit.
