iSigma Capital Corporation

Announcement of the Transfer of Shares of Sweet Style Co., Ltd.

To Whom It May Concern:

iSigma Business Advancement Fund I Investment LLP, which is managed and operated by iSigma Capital Corporation (“we” hereafter), has reached a final agreement to transfer all of our shares of Sweet Style Co., Ltd. (“Sweet Style” hereafter) to Mitsuuroko Group Holdings Co., Ltd. (“Mitsuuroko” hereafter).

After our investment in Sweet Style in March 2009, we have engaged in various business enhancement activities, utilizing business development expertise and vast industry network of general trading company Marubeni Corporation (parent company of iSigma Capital Corporation; “Marubeni” hereafter). Such activities ranged from re-engineering of supply chain, value add initiatives such as development of high end products, establishment of hand-made style central kitchen and creation of an innovative café-bakery style store, to opening of stores in large shopping malls, re-inventing Sweet Style’s franchise business model, improvement of management control functions and strengthening of management team through talent promotion and professional hiring.

Based on the appropriate evaluation of Sweet Style’s business by Mitsuuroko, and the expectation of synergistic effects with the Mitsuuroko Group who is actively expanding its business in the food service markets, we have determined that Sweet Style’s continued growth would be promising as a member of the Mitsuuroko Group, and concluded with a decision to transfer the shares.

The transfer is scheduled to occur in early April of this year.
