iSigma Capital Corporation

Capital and Business Alliance with NEWTEX CO., LTD.

iSigma Business Advancement Fund III Investment Limited Partnership (“the Fund” hereafter), managed and operated by iSigma Capital Corporation (“we” hereafter), made an equity participation in NEWTEX CO., LTD. (Tsuruma, Fujimi-shi, Saitama; “NEWTEX” hereafter) on May 24, 2021.

NEWTEX manufactures cables mainly for factory automation sectors. It has strength in manufacturing custom-made and dedicated cables that meet customer needs, calling itself an “Electric Wire Manufacturer Without a Catalog.”

We will actively support NEWTEX and pursue further growth and development of the company by combining the company’s prominent business foundation with our management improvement skill-sets and by utilizing our parent company, Marubeni’s vast global client network and business enhancement initiatives such as marketing and development of strategic partnerships and/or new sales channels, optimization of procurement and logistics and so on.
