Final Close of iSigma Business Advancement Fund IV Investment Limited Partnership

We are pleased to announce the completion of the final close of iSigma Business Advancement Fund IV Investment Limited Partnership on July 3, 2023. Since its first close on October 14, 2022, we have raised total approximately JPY 50 billion from various institutional investors.

The new fund focuses on domestic small and mid-sized enterprises as investment targets. By leveraging on our exceptional track record through our past funds, we will be able to better support Japanese small and mid-sized enterprises to reach a higher level of sustainable growth.
